Re-Civ No. 08-275-6MS / personal safety issue

Dear Clerk

I sent you a letter dated 7/23/08 in regards to the issues I am having Filing in this court, due to the staff/officers in this case. However, I made an error as to the action Number. The correct Civ No is Civ No 05-275 (and Not 07-784). I raise the same concerns that I raised in my First letter (1) My legal work has been "misplaced" by officers purposely, (who are officers that have friendly relations with the officers in this action). (2) That these officers Flave tampered with my legal mail, thosobstructing my access to the court. (3) My family has been precluded from seeing me I ask that you please excuse my error with regard to the action number. I am enclosing the last order that I received from this court. I ask that you please look into this matter, of why you have not received the authorization look into this matter, of why you have not received the authorization

, Form, If you have received it please interm me. I would like to add

once again that I would like this matter addressed as it is a safety concern, For I am being housed around officers who have made threats against my person and my Family and nothing is being done about it.

Thank you for your consideration in this Matter.

- 2. Consistent with 28 U.S.C. § 1915(a)(1) and (2), the plaintiff has submitted: (1) an affidavit stating that he has no assets with which to prepay the filing fee; and (2) a certified copy of his prison trust fund account statement for the six-month period immediately preceding the filing of the above-referenced complaint. Based on the plaintiff's submissions, his request to proceed in forma pauperis is granted.
- 3. Notwithstanding the above, pursuant to 28 U.S.C. § 1915(b)(1), the plaintiff shall be assessed the filing fee of \$350.00 and shall be required to pay an initial partial filing fee of 20 percent (20%) of the greater of his average monthly deposit or average monthly balance in the trust fund account.

Re: Civ. No. 07-784-GMS / personal safety.

Dear Clerk,

On May 17, I received an authorization, form in which I signed, giving the Court authorization to deduct money from my account for the partial filing fee in the above action. Since then I noticed that no money has been taken off of my account. I have also been placed in the position of having my logal documents "mysteriously" turn up missing in movement from one building to another. This is odd considering staff has to inventory innate property when immates are moved. The action that I filed has to do with corrections officers who are family members of the morder victim in my crime. These officers have made threats on my life, and has on two occasions called my mothers home. The senior staff has been made aware of these facts and have done nothing beyond granting my interstate request in May of 05. The officers have been made aware that I have filed legal action. My family has been and effectively precluded from seeing me and Now I fear that my mail is being withheld or tampered with.

How can I have my issues placed before the court when the persons

Case 1:07-cv-00784-GMS Document 7 Filed 07/28/2008 Page 2 of 3 that I am Filing actions against coin obstruct my access to the courts at will? In the area I am housed in the inmates must rely on the ufficers to mail out any out going letters.

I ask that you please look into this matter.

Thank you
